Hi Chris,

Thanks for taking a look at it! I will let you know if I have questions as I work through the comments. Our timeline so far is: a briefing is scheduled with the RA for next Monday, May 21st. We are sending him the briefing materials this Thursday, so I will share those with you at that time as well. In the meantime, I'm working to wrap up the edits to the decision memo, and my plan is to share it out again for a final high-level review the week of May 28th.

What is HQ strategy for briefing? Do you have any more scheduled?

I think I see a missed call from you this morning. (b) (6) (but was off yesterday and this morning). I'm having issues checking my voicemail from my cell phone, but if you still need to chat about anything I'm around and you can give me a call back until 5 PM pacific time. My work phone is forwarded.

Thanks,

Miranda Hodgkiss

Hi Miranda,

10/24/2018

I've tried to add all of my suggested edits and questions into the Sharepoint document. I don't think Jim H has plans to review at the moment, but I'm going to try to discuss some of the policy questions that Jim C asked about with him this week. Please let me know if you have any questions about my comments.

Do you have an updated timeline for briefing your leadership on this?

Thanks

Chris Hunter

Hi Miranda,

Please share this file with me. I am the National TMDL and 303(d) litigation coordinator so have to keep on top of all the active litigation (Chris Hunter is the R10 liaison, and he and I both work on R10 litigation).

Thanks
